Inspire a Love of Reading

Supporting Dolly Parton's Imagination Library is a powerful way to make a lasting impact on the lives of the children and families in your community.

Dolly Parton believes that if you can read, you can do anything, dream anything, and be anything. Through her Imagination Library program, she wants to ensure all children have books at home, regardless of the environment in which they grow up.

Dolly Parton's Imagination Library puts books into the hands and hearts of children across the world. We partner with local communities to provide a specially-selected, age-appropriate, high-quality book each month to registered children from birth to age five. These books are personalized with the child's name and mailed directly to the child's home to create a gifting experience that makes books exciting and shows the child someone is thinking of them.
